## DISCIPLINE

Our number one rule is **RESPECT**. This includes self-respect, respect for fellow students, respect for instructors, and respect for the space and materials MOCA provides. Parents are expected to help implement this rule with their participating children.

Unacceptable behavior is defined as behavior that is disruptive to the group's well-being or harmful to others (or ones' self) i.e. hitting, punching, biting, threatening or inappropriate language. Our staff will use behavior management techniques such as redirection, conflict resolution and positive reinforcement when handling behavior situations. Corporal punishment is not used at MOCA.

A child with disruptive behavior will be given an opportunity to correct him/herself. If the behavior is not corrected, the child will be removed from the groups for a specified time period depending on the age of the child. Parents will be informed if their child's behavior is disruptive and will be expected to work cooperatively with The MOCA staff to correct the behavior. MOCA reserves the right to dismiss a child from the program when behavior problems continue to disrupt the program and/or the camp is not able to positively function within our group size and counselor-to-camper ratio. There is **no refund** for a child who is asked to leave camp.

## TUITION

Tuition is **due at the time of registration**. Parents/Guardians must complete **full payment(s) online** or at MOCA's **front desk** for their child's specified session(s) to be considered an enrolled attendee to our program. Due to high demands for spots in MOCA Summer Arts Camp once a student begins their first day there are **no partial or full refunds** issued. MOCA prides itself on project based learning and non-attendance during camp affects final project outcomes. It is highly encouraged that your child attends the **full 2 weeks uninterrupted**.
